Partners

WEST is made possible through the generosity of our supporters who join Big Medium in championing artists and the contemporary arts in Texas. Thank you to our Funders who sustain our programming through grants. We also thank our Sponsors – businesses who provide generous financial support for WEST; and our Members – whose support allows us to keep our programs free and open to the public all year-round.

Big Medium is supported in part by the Cultural Arts Division of the City of Austin Economic Development Department, and by the Texas Commission on the Arts.
